QUESTIONS TO ASK YOUR BUILDER

Get your plan in the right hands.

- + *Is your builder fully licensed and insured?*
- + *Are references available?*
- + *Will your builder register the Trex material warranty?*
- + *How many years of experience does your builder have with decks?*
- + *How long will the job take?*
- + *What is the materials and labor estimate?*

Now's the time to ask your builder about any extras to complete your space. Think stairs, accent colors, gates, storage, lighting and pergolas. The sky's the limit.
