

Trex Transcend®

LINEAGE™

THE NEXT GENERATION OF DESIGN & PERFORMANCE

COOLER UNDER THE SUN

Reflects the sun and homeowners' sense of style. Transcend® Lineage™ is engineered to keep cooler, even on the hottest days.*

PEACE OF MIND

25-Year Limited Residential and Fade & Stain warranties mean our latest decking innovation comes with the same coverage and confidence you've come to expect.

SUPERIOR DURABILITY

Transcend decking maintains its color and finish thanks to its unyielding shell protection which means less maintenance and easy upkeep.

Rainier

Biscayne

*Although Trex Transcend Lineage is designed to be cooler than most other composite decking products of a similar color, on a hot sunny day, it will get hot. On hot days, care should be taken to avoid extended contact between exposed skin and the deck surface, especially with young children and those with special needs.
